

Melanie Martinez - Pity Party(Original key: F# minor, capo on 2nd fret)

[Intro]: Em G C x2

Em G C
 Did my invitations disappear, why'd I put my heart on every cursive letter
 Em G C
 Tell me why the hell no one is here, tell me what to do to make it all feel better

Em G C
 Maybe it's a cruel joke on me, whatever, whatever
 Em G C
 Just means there's way more cake for me, forever, forever

Em G C
 It's my party and I'll cry if I want to, cry if I want to (*cry, cry, cry*)
 Em G C
 I'll cry until the candles burn down this place, I'll cry until my pity party's in flames
 Em G C
 It's my party and I'll cry if I want to, cry if I want to (*cry, cry, cry*)
 Em G C
 I'll cry until the candles burn down this place, I'll cry until my pity party's in flames

Em G C
 Maybe if I knew all of them well, I wouldn't have been trapped inside this hell that holds me
 Em G C
 Maybe if I casted out a spell, or told them decorations were in pastel ribbons

Em G C
 Maybe it's a cruel joke on me, whatever, whatever
 Em G C
 Just means there's way more cake for me, forever, forever

Em G C
 It's my party and I'll cry if I want to, cry if I want to (*cry, cry, cry*)
 Em G C

 Em G C
 It's my party and I'll cry if I want to, cry if I want to (*cry, cry, cry*)
 Em G C
 I'll cry until the candles burn down this place, I'll cry until my pity party's in flames

 (C)
