

LP - Into The Wild

[Intro]: G Em C G

G Em C G
Are we on the lonely side, say oh now, the past long away

G Em C G
And are we so lost in the dark of our hearts, that ooh, there's no light of day, no oh oh oh
C G Em G C G Em G
Whistling, no oh oh oh, *whistling*

One, two, three, four

G C G
Somebody left the gate open, you know we got lost on the way

C G C G
Come save us a runaway train gone insane, how do we, how do we not fade
C G C
How do we, how do we, how do we not fade away, how do we, how do we oh

G C
Into the wild, how are we living, living, living

G C
Into the wild, how are we living, living, living

C G Em G
Oh oh oh, oh oh oh oh

C G Em G
Yeah, eh eh, eh eh eh eh

G Em C G
Oh please believe me I'm more scared than not, that ooh, this isn't the way

G Em C G
And please be there I can barely hang on, but ooh I'll wait 'til I break, yeah eh eh eh
C G Em G C G Em G
Whistling, yeah eh eh eh, *whistling*

G C G
Somebody left the gate open, you know we got lost on the way

C G C G
Come save us a runaway train gone insane, how do we, how do we not fade
C G C
How do we, how do we, how do we not fade away, how do we, how do we oh

G C
Into the wild, how are we living, living, living

G C
Into the wild, how are we living, living, living

G C
Into the wild, how are we living, living, living

G C
