

# Lost Frequencies feat. Janieck Devy - Reality

(Original key: E major, capo on 4<sup>th</sup> fret)

[Intro]: C Em Am F x2

Verse 1 {  
                  C                          Em  
Decisions as I go, to anywhere I flow  
                  Am                          F  
Sometimes I believe, at times I'm rational  
                  C                          Em  
I can fly high, I can go low  
                  Am                          F  
Today I got a million, tomorrow I don't know

Verse 1 {  
                  C                          Em  
Decisions as I go, to anywhere I flow  
                  Am                          F  
Sometimes I believe, at times I'm rational  
                  C                          Em  
I can fly high, I can go low  
                  Am                          F  
Today I got a million, tomorrow I don't know

[Interlude]: C Em Am F x2

Verse 2 {  
                          C                          Em  
Stop claiming what you own, don't think about the show  
                          Am                          F  
We're all playing the same game, laying down alone  
                          C                          Em  
We're unknown and known, special and a clone  
                          Am                          F  
Hate will make you cautious, love will make you glow

Verse 3 {  
                          C                          Em  
Make me feel the warm, make me feel the cold  
                          Am                          F  
It's written in our stories, it's written on the walls  
                          C                          Em  
This is our call, we rise and we fall  
                          Am                          F  
Dancing in the moonlight, don't we have it all

[Interlude]: C Em Am F x3

Verse 1 {  
                  C                          Em  
Decisions as I go, to anywhere I flow  
                  Am                          F  
Sometimes I believe, at times I'm rational  
                  C                          Em  
I can fly high, I can go low  
                  Am                          F  
Today I got a million, tomorrow I don't know

Verse 3 {  
  C  Em  
Make me feel the warm, make me feel the cold  
  Am  F  
It's written in our stories, it's written on the walls  
  C  Em  
This is our call, we rise and we fall  
  Am  F  
Dancing in the moonlight, don't we have it all  
[Outro]: C Em Am F

Lost Frequencies feat. Janieck Devy - Reality

[Intro]: E G#m C#m A x2

Verse 1 {

                  E                  G#m  
 Decisions as I go, to anywhere I flow

                  C#m                  A  
 Sometimes I believe, at times I'm rational

                  E                  G#m  
 I can fly high, I can go low

                  C#m                  A  
 Today I got a million, tomorrow I don't know

Verse 1 {

                  E                  G#m  
 Decisions as I go, to anywhere I flow

                  C#m                  A  
 Sometimes I believe, at times I'm rational

                  E                  G#m  
 I can fly high, I can go low

                  C#m                  A  
 Today I got a million, tomorrow I don't know

[Interlude]: E G#m C#m A x2
