

SafetySuit - What If (Acoustic Live Version)

[Intro]: Gadd2 Bm7 Aadd4 x2

Verse 1 {
And what if it makes you sad at me
And what if it makes you laugh now but you cry as you fall asleep
And what if it takes your breath and you can hardly breathe
And what if it makes the last sound be the very best sound

Chorus 1 {
What if what I want makes you sad at me, and is it all my fault oh can I fix it please oh
Cause you know that I'm always all for you, cause you know that I'm always all for you

Verse 2 {
And what if it makes you lose faith in me
And what if it makes you question every moment you cannot see
And what if it makes you crash and you can't find the key
And what if it makes you ask how you could let it all go

Chorus 2 {
What if what I want makes you sad at me, and is it all my fault oh can I fix it please oh
Cause you know that I'm always all for you, cause you know that I'm always all for, always all for you

[Interlude - part 1]: Gadd2 Aadd4 Gadd2 Aadd4

[Interlude - part 2]: Gadd2 D Aadd4 x2

Stick {
And if this be our last conversation, if this be the last time that we speak for a while
Don't lose hope and don't let go, cause you should know

Chorus 3 {
If it makes you sad, if it makes you sad at me, then it's all my fault and let me fix it please oh
Cause you know that I'm always all for you, cause you know that I'm always all for you
What if what I want makes you sad at me, if it's all my fault then let me fix it please oh
Cause you know that I'm always all for you, cause you know that I'm always all for, always
I am all for you
