

Selena Gomez - The Heart Wants What It Wants

(Original key: Eb major, capo on 3rd fret)

[Intro]: C Am Em G

Verse 1 {
You got me sipping on something, I can't compare to nothing
I've ever known, I'm hoping, that after this fever I'll survive
I know I'm acting a bit crazy, strung out, a little bit hazy
Hand over heart, I'm praying, that I'm gonna make it out alive

Chorus 1 {
The bed's getting cold and you're not here, the future that we hold is so unclear
But I'm not alive until you call, and I'll bet the odds against it all
Save your advice cause I won't hear, you might be right but I don't care
There's a million reasons why I should give you up, but the heart wants what it wants
The heart wants what it wants

Verse 2 {
You got me scattered in pieces, shining like stars and screaming
Lighting me up like Venus, but then you disappear and make me wait
And every second's like torture, heroin drip, no more so
Finding a way to let go, baby baby no, I can't escape

Chorus 2 {
The bed's getting cold and you're not here, the future that we hold is so unclear
But I'm not alive until you call, and I'll bet the odds against it all
Save your advice cause I won't hear, you might be right but I don't care
There's a million reasons why I should give you up, but the heart wants what it wants
The heart wants what it wants, the heart wants what it wants
The heart wants what it wants

Bridge {
This is a modern fairytale, no happy endings, no wind in our sails
But I can't imagine a life without breathless moments, breaking me down, down, down, down

Chorus 3 {
