

Tori Kelly - Unbreakable Smile

[Intro]: C# B x2

Chorus 1 { C# B
La da da da de, you're not breaking me
C# B
La de da da da, da da da da, yeah

Verse 1 { C# B
Somebody told me fame is a disease, you start singing the blues when you start seeing the green
C# B
But I think it's all about what you choose, the way you live your life depends on you
C# B
That's when I realized I wanna make a difference, change other people's lives, give hope, even
for a moment
C# B
Use my name for good and change the game I could
C# B
Because to make it you think I gotta act a certain way, be a little bit insane, live a little, it's okay
C# B
I guess we have different definitions of living, but you'll twist my words anyway
C# B
You'll say that I'm naïve like I don't have a past, you're the one being deceived I see right behind
the mask
C# B
Tryna to stir me up and get me mad, (*I smile because*) happiness is all I have, so

Chorus 2 { C# B
La da da da de, you're not breaking me
C# B
La de da da da, ain't got time for ya, singing
C# B
La da da da de, you won't shatter me
C# B
La de da da da, got an unbreakable smile

Verse 2 { C# B C#
You'll see me hanging with my fam, but that don't mean I'm living in a bubble
B
You'll find me at church, but that don't mean I can't cause trouble
C#
Stir up a little scene cause isn't that what you want
B C#
For me to mess up, so you can dress up some story, saying Tori this'll sell more records
B C#
But I'd rather make 'em yawn than be a pawn on your chessboard
B
So call me boring, call me cookie cutter, call me what you want
A matter of fact, just say it loud and don't st-stutter

Verse 2 (part 2) { C# B
 Cause I know who I am, yeah I'm still the same, just a California girl with big dreams, thinking
 C#
 Maybe they'll let me sing songs about real things
 B C#
 And baby who knows maybe I can sell out shows without taking off my clothes
 B
 God made me sexy, I don't care if only I know, ooh

Chorus 3 { C# B
 La da da da de, you're not breaking me
 C# B
 La de da da da, ain't got time for ya, singing
 C# B
 La da da da de, you won't shatter me
 C# B
 La de da da da, got an unbreakable smile, so

[Interlude]: C# B x4 (ooh ooh, ooh ooh, oh, and I'll just keep on singing)

Chorus 4 { C# B
 La da da da de, you're not breaking me
 C# B
 La de da da da, ain't got time for ya, singing
 C# B
 La da da da de, you won't shatter me
 C# B
 La de da da da, got an unbreakable smile, yea

[Outro]: C# B x6
 (yeah, oh, I might be smiling yes, oh, but don't mistake kindness from weakness, ooh..)
