

Tove Lo - Habits (Stay High)

[Intro]: Bb Dm F (oh oh, oh oh, oh oh)

Bb Dm F
I eat my dinner in my bathtub, then I go to sex clubs

Bb
Watching freaky people gettin' it on

Dm F
It doesn't make me nervous, if anything I'm restless

Bb
Yeah I've been around and I've seen it all

Dm F
I get home, I got the munchies, binge on all my twinkies

Bb
Throw up in the tub, then I go to sleep

Dm F
And I drank up all my money, dazed and kinda lonely

You're gone and I gotta stay

Bb Dm F
High all the time, to keep you off my mind, oooh, oooh

Bb Dm F
High all the time, to keep you off my mind, oooh, oooh

Bb Dm F
Spend my days locked in a haze, tryin' to forget you babe, I fall back down

Bb Dm F
Gotta stay high all my life, to forget I'm missing you, oooh, oooh

Bb Dm F
Pick up daddies at the playground, how I spend my day time

Bb
Loosen up the frown, make them feel alive

Dm F
Oh make it fast and greasy, I'm numb but way too easy

You're gone and I gotta stay

Bb Dm F
High all the time, to keep you off my mind, oooh, oooh

Bb Dm F
High all the time, to keep you off my mind, oooh, oooh

Bb Dm F
Spend my days locked in a haze, tryin' to forget you babe, I fall back down

Bb Dm F
Gotta stay high all my life, to forget I'm missing you, oooh, oooh

Bb Dm F
Staying in my play pretend, where the fun ain't got no end, ooh
Bb Dm F
Can't go home alone again, need someone to numb the pain, ooh
