

Vance Joy - Red Eye

[Intro]: E F#m A x2

Verse 1 {
E F#m A
She don't like small places
E F#m A
Give her highways and byways, and don't get stuck in her head
E F#m A
And it's been so long
E F#m A
And I will read into everything you don't say, all of your silent ways

Pre-Chorus 1 {
E F#m
I'm a dog lying down on a warm bit of pavement
A
Checking this collar, you see what the name is
E F#m
Think that it's worth it, well I hope that you're right
A
You're falling asleep on the red eye tonight

Chorus 1 {
E F#m A
And you know that you're looking well
E F#m A
Won't you come through my door, asking how was your day
E F#m A
And you know that I'm still a dog
E F#m A
And I'm trusting my nose, will it show me the way

Verse 2 {
E F#m A
I'm glad that you're still here
E F#m A
Won't you hold up a candle, I'm stumbling in the dark
E F#m A
And when I needed hope
E F#m A
I remind myself that atleast I got one thing right, it will always be right

Pre-Chorus 2 {
E F#m
I'm a dog lying down on a warm bit of pavement
