

Bon Iver - Holocene (Ukulele arrangement)

(Original key: Bb minor, tune down four half steps)

[Intro]: Fno5 Dm F/C Dm F/Bb x2

Fno5 Dm F/C
Someway baby it's part of me, apart from me
Dm F/Bb
You're laying waste to Halloween
Fno5 Dm F/C
You fucked it friend, it's on its head, it struck the street
Dm F/Bb
You're in Milwaukee, off your feet

F/Bb Dm F/C
And at once I knew I was not magnificent
F/Bb Dm F/C
Strayed above the highway aisle
F/Bb Dm Fno5 F/C
Jagged vacance, thick with ice
Dm F/Bb F/C Fno5
But I could see for miles, miles, miles

Fno5 Dm F/C
3rd and Lake it burnt away, the hallway
Dm F/Bb
Was where we learned to celebrate
Fno5 Dm F/C
Automatic bought the years you'd talk for me
Dm F/Bb
That night you played me Lip Parade
Fno5 Dm F/C
Not the needle, nor the thread, the lost decree
Dm F/Bb
Saying nothing, that's enough for me

F/Bb Dm F/C
And at once I knew I was not magnificent
F/Bb Dm F/C
Hulled far from the highway aisle
F/Bb Dm Fno5 F/C
Jagged vacance, thick with ice
Dm F/Bb F/C Fno5
And I could see for miles, miles, miles

(Fno5) Dm
Christmas night, it clutched the light
F/C
The hallow bright, above my brother, I and tangled spines
Fno5 Dm F/C
We smoked the screen to make it what it was to be
Dm F/Bb
Now to know it in my memory

F/Bb Dm F/C
And at once I knew I was not magnificent
F/Bb Dm F/C
High above the highway aisle
F/Bb Dm Fno5 F/C
Jagged vacance, thick with ice
Dm F/Bb F/C Fno5
And I could see for miles, miles, miles
