

## City And Colour - Love Don't Live Here Anymore (Acoustic live version)

(Original key: C minor, tune down two whole steps)

[Intro]: Em C/G Am x2

Em C/G Am  
You've abandoned me, love don't live here anymore  
Em C/G Am  
Just a vacancy, love don't live here anymore, oh

Em C/G  
When you lived inside of me, there was nothing that could conceive, that you wouldn't do for me  
Trouble seemed so far away, you changed that right away, baby

Em C/G Am  
You've abandoned me, love don't live here anymore  
Em C/G Am  
Just a vacancy, love don't live here anymore, no

Em C/G  
Love don't live here anymore, just emptiness and memories of what we had before  
But you went away, found a new place to stay, another home

Em C/G Am  
You've abandoned me, love don't live here anymore, no  
Em C/G Am Em C/G Am  
Just a vacancy, love don't live here anymore, oh no, no no no no, oh no no no

Em C/G Am  
You've abandoned me, love don't live here anymore  
Em C/G Am Em  
Just a vacancy, love don't live here anymore, anymore, oh no no no
