

Never Shout Never - Trouble

(Original key: Bb major, tune down one whole step)

Verse 1 {
I'm in trouble, I'm an addict, I'm addicted to this girl
She's got my heart tied in a knot, and my stomach in a whirl
But even worse, I can't stop calling her, she's all I want and more
I mean damn, what's not to adore

Verse 2 {
I've been playing too much guitar, I've been listening to jazz
I called so many times, I swear she's going mad
And that cellular will be the death of us I swear, I swear

Chorus 1 {
And oh, oh oh, oh oh, oh oh, oooh
I'm running my mouth, just like I got her, but I surely don't
Because she's so, oh oh, oh oh, oh oh
Rock 'n roll and out of my league, is she out of my league, let's hope not

Verse 3 {
I'm in trouble, I'm so cliché, see that word just wears me out
Makes me feel like just another boy, to laugh and joke about
But even worse, I can't stop calling her, I love to hear that voice
And honestly, I'm left with no choice

Verse 4 {
I've been playing too much guitar, I've been listening to jazz
I called so many times, I swear she's going mad
And that cellular will be the death of us I swear, I swear

Chorus 2 {
And oh, oh oh, oh oh, oh oh, oooh
I'm running my mouth, just like I got her, but I surely don't
Because she's so, oh oh, oh oh, oh oh
Rock 'n roll and out of my league, is she out of my league, let's hope not

Outro {
And oh, oh oh, oh oh, oh oh, oooh, ooh
