

Tove Lo - Talking Body

[Intro]: Em D G C D

Em D G C D
Bed, stay in bed, the feeling of your skin locked in my head
Em D G C D
Smoke, smoke me broke, I don't care, I'm down for what you want
Em D G C D
Day drunk into the night, wanna keep you here, cause you dry my tears, yeah
Em D G C D
Summer loving and fights, how it is for us, and it's all because

Em D G C
Now if we're talking body, you've got a perfect one, so put it on me
D

Swear it won't take you long

Em D G C D
If you love me right, we fuck for life, on and on and on

Em D G C
Now if we're talking body, you've got a perfect one, so put it on me
D

Swear it won't take you long

Em D G C D
If you love me right, we fuck for life, on and on and on

Em D G C D
Love give me love, anything you want I'll give it up

Em D G C D
Lips, lips I kiss, bite me while I taste your fingertips
